ACHIVEMENTS

- Responsible for giving the commencement address of Sociology – School of Social Sciences 2013.
- Award of Good Practices in Educational Management in 2016 as part of the Directorate Support of Decentralized Education Management.

INTERESTS

I am interested in teaching at university level, quantitative and qualitative research. Also, I am great fan of sports like soccer, running and swimming. Nowadays, I seek to conduct research that consider sports activities as strategies of social inclusion and that contribute to the reduction of inequalities in society.
